Petition to Audit Arna MN. Township, and Treasure Pamela Ellwien Arna Township records for the past years of: (2021,2022,2023,2024).

We the residents of Arna Township are demanding the immediate audit of the Arna Township, and treasure Pamela Ellwien Arna Township, MN Books, and records. for the past years above. **DATE: 5-5-2024**

- 1. We have no contact with Arna treasure Pamela Ellwien, even when multiple residents requesting to see the books for the past 1 ½ years
- Many discrepancies and spending, and inaccurate readings @ board of audit meetings in 2023-2024, with Pamela Ellwien not being present to answer multiple residents' concerns and questions at board of audit meetings.
- 3. Arna Township treasure Pamela Ellwien has never attended any meeting for the following years of 2023/2024, with the town board of supervisors, conducting the board of audit's themselves, and telling residents she lives/works in the cities tell 6 PM.? Not an excuse to not be at any board of audit meetings, with the Arna town board of supervisors constantly denying residents to see the Arna Township books when requested for the years of 2023-2024.
